

Write Your

Next Chapter

The Space Between Who You Were
and Who You're Becoming

Spend the weekend remembering
the woman beneath the roles.

16th - 18th
October, 2026

**EVERY WOMAN REACHES A CHAPTER WHERE
LIFE QUIETLY ASKS...**

What comes next?

Not because something is broken. Not because you have failed. But because something within you has changed.

SecondAct Weekend is an invitation to step away from the noise long enough to hear your own voice again. Through meaningful conversations, guided reflection, nature, coaching and creative exploration, you will gain perspective on where you are and intentionally shape what comes next.

You may not leave with every answer.
You will leave with greater clarity.

IS THIS WEEKEND FOR YOU?

At a personal or professional crossroads

Feeling successful, yet something feels incomplete

Seeking clarity before an important decision

Ready to invest in yourself

Longing for meaningful conversations

Wondering what your next chapter could be

THE SECONDACT NARRATIVE COMPAS

LOOK BACK

What has this chapter taught me?

LOOK WITHIN

What is true for me now?

LOOK AHEAD

What is possible from here?

LIVE FORWARD

What is my next courageous step?

A NOTE FROM ARCHANA

After nearly three decades in the corporate world, I realised that the biggest decisions in our lives are rarely made because someone gives us the perfect answer. They are made when we create enough space to hear ourselves.

SecondAct was born from that belief. This weekend is my invitation to pause, reflect and gain the clarity to write your next chapter.
